

Video Chat Resources

[Zoom](#)

Free account allows meetings up to 100 participants (limited to 40 minutes).

1 on 1 meetings do not have a time limit.

Allows call-in from phone lines if users do not have good internet connection (this feature is occasionally unavailable on free accounts due to high call volumes)

[Google Hangouts](#)

Free, allows up to 25 people in a video call (or 150 for voice only).

Requires a Gmail account to login.

[Facebook Messenger](#)

Free, up to 50 people can video chat at once.

Requires a Facebook profile to use.

[Skype](#)

Free, video chat software for up to 50 people

Using a phone to call in is a premium feature and costs extra

[HouseParty](#)

Free social networking service that allows video chat for up to 8 individuals

Offers quizzes, games, and trivia in the app.
